Summer Camp Program

Willowglen School is pleased to once again be able to offer its Summer Adventure Camp. Our bright, air-conditioned classrooms provide a pleasant environment for indoor activities, while our large playground is ideal for outdoor games. The campus is also conveniently located near several parks and nature trails. The summer camp is available for children ages 18 months through 9 years of age.

Summer is a time for children to play and enjoy themselves. Arts and crafts encourage the child's imaginative side, while sports and games are a great way for children to have fun while developing teamwork skills and coordination.

The Oakville community is blessed with an abundance of nearby resources including farms in the Niagara escarpment, waterparks and harbours. Sailing on Lake Ontario and visiting Chudleigh's Farms are among the highlights of Willowglen School's Summer Camp.

The same dedicated and caring teachers who teach during the school year also run Willowglen's Summer Camp.
